

REMARKS

The foregoing amendments are made in view of the examiner's approval by telephone on February 14, 2005 that such amendments place the application in condition for allowance. Rejected claims 12, 18, and 23-25 are canceled without prejudice to the filing of a continuing application directed to the subject matter of such claims. The second limitation of claim 3, which was objected to in the office action, has been incorporated into claim 19. Claim 19 and its dependent claims should therefore be allowable.

Favor consideration of this application is requested. It is believed that no additional fees are due. However, if this is incorrect, please charge any additional fee to Deposit Account No. 50-1588.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Philip G. Meyers", is written over a horizontal line.
